USFWS FWCA CLDS WLDS FINAL.pdf

Hi Jeannie,

...a few items for your review and input:

1. In response to your email below regarding Appendices numbering, that is correct:

Appendix A:

A-10 Tribal consultation

A-11 ESH/EFH letters

A-12 CZM Consultation

Appendix J: Response to Comments

Ex. 5 - Deliberative Process

3. FSEIS Chapters 6 and 7 – for your review: I edited these sections and Spence Smith (our marine biologist) reviewed Sections 6. Please review and edit (using Track-changes). There are several flags in there for you. For any questions, we can have a call with Spence.

Thanks,

Bernward

Hi Bernward,

So based on the information we discussed. The RTC document will be appendix J?
The CZMA letters, EFH and ESA coordination, additional tribal coordination will all be part of
the “public involvement appendix? Therefore a-11, a-12 as indicated in this email.

thanks

Hi Jeannie, this attached Appendix A-12 (CZM Determination) would be included within
Appendix A (Public Participation). It consists of an assembly of the files that you provided last
Thursday. Please review this Appendix A-12 for completeness.

Thanks,

Bernward
